

Clay Davidson, What Was I Thinking Of

There goes my heart again
Stepping out on a limb
Skating on ice so thin
When will I learn
It must have been the wine
That made me lose my mind
Falling so far so fast
And feeling so much
Please tell me...

What was I thinking of
For just one night
I thought we might
Always be in love
Just a fool with a dream
What was I thinking of

My heart's been broke before
Right then and there I swore
There'd be no more rushing in
Once was enough
Please tell me...

What was I thinking of
For just one night
I thought we might
Always be in love
Just a fool with a dream
What was I thinking of *3
