

Clay Kevin, Don't Tell Jude

Don't tell Jude, do something. Don't tell Jude. If she knew, she would run to you. (So) don't tell Jude. Love is cruel. Tell me something new. Don't tell Jude. I'm a fool to think that she could too. Don't tell Jude. Cause sometimes I get a feeling that somehow it's from above. But who am I to be in love. Who am I to be in love...with you. Don't tell Jude.
