

Clay Kevin, Rose Of Sharon

If I'm not dreaming, I should be screaming now. If I'm not lying, I should be crying now. How can I reach for Heaven, when I can't find the door? I can't get my feet off the ground. You tell me that my womb is barren, but give me no Rose of Sharon. I can't get my feet off the ground. If I'm not dreaming, I should be screaming now. If I'm not lying, I should be dying now. How can I reach for Heaven when I can't find the door? I can't get my feet off the ground. You tell me that my womb is barren, but give me no Rose of Sharon. I can't get my feet off the ground. Yeah, it sounds so nice, but it's so untrue, that I've forgiven you.
