

Clay Walker, Baby Fall

Hold up there you go again
Puttin' on that smile again
Even though I know you've had a bad day
Doin' this and doin' that
Always puttin' yourself last
A whole lotta give and not enough take

But you can only be strong so long before you break

So fall go on and fall apart
Fall into these arms of mine
I'll catch you every time you fall
Go on and lose it all
Every doubt, every fear, every worry, every tear
I'm right here
Baby fall

Forget about the world tonight
All that's wrong and all that's right
Lay your head on my shoulder, let it fade away

And if you wanna let go baby it's okay

Fall go on and fall apart
Fall into these arms of mine
I'll catch you every time you fall
Go on and lose it all
Every doubt, every fear, every worry, every tear
I'm right here
Baby fall

Hold on hold on hold on to me...

Fall go on and fall apart
Fall into these arms of mine
I'll catch you every time you fall
Go on and lose it all
Every doubt, every fear, every worry, every tear
I'm right here
Baby fall
