

# Clay Walker, Let Me Take That Heartache

Once again hes left you here crying  
It hurts me to see him hurt you this way  
Once again here I am trying  
To make the tears desappear from your face  
For your sake

Chorus:

Let me take that heartache off your hands  
Youve stood more than one heart can stand

Dont give up on love til you give me a chance  
Let me take that heartache off your hands

These shoulders were made for you to cry on  
If you need them theyre yours any time  
These arms are yours to try on  
Ill make sure they fit you just right  
Theyll hold you tight

(chorus)
