

# Clay Walker, Let Me Take That Heartache (Off Your Hands)

Once again he left you here crying  
It hurts me to see him hurt you this way  
Once again here I am trying  
To make the tears disappear from your face  
For your sake

Chorus:

Let me take that heartache off your hands  
You've stood more than one heart can stand  
Don't give up on love if you give me a chance  
Let me take that heartache off your hands  
These shoulders were made for you to cry on  
If you need them they're yours any time  
These arms are yours to try on  
I'll make sure they fit you just right  
They'll hold you tight  
(Chorus)
