

# Clay Walker, Money Can't Buy (The Love We Had)

(Clay Walker)

Well, it looks like he doin' what I did do  
Givin' you love and money too, it over  
Where do I go from here  
Well, I appreciate the nice goodbye  
Not even a letter so that I  
Could fool myself into thinkin' that you really cared  
I tried to give you everything you wanted  
But it looks like I got burried by the flame I started  
Money can buy the love we had  
You can do a thing for a love gone bad  
But it cost me everything that I ever had  
And even money can buy back the love we had  
Now there nobody left for me to blame  
If I could do it over I do it the same  
I gave you my very best  
You said you love me through thick and thin  
But when one heart lies the other can win for losin'  
Where do I go from here  
Money can buy the love we had  
You can do a thing for a love gone bad  
But it cost me everything that I ever had  
And even money can buy back the love we had  
Even money can buy back the love we had
