

# Clay Walker, Only On Days That End In Y

When you left, I told myself  
I'd wouldn't let you haunt my mind

I'd be strong, I'd carry on  
An' leave the past behind  
I'd just forget we ever met  
An' find somebody new

An' now I want you to know  
I'm almost over you

Chorus:

The only time I ever miss you, honey  
Is when I'm alone or when I'm with somebody  
Your memory never even gets to me  
'Cept when I'm awake, an' when I m sleeping  
Girl you never even cross my mind  
'Cept just when I think I left you far behind  
Only when I laugh, only when I cry,  
An' only on days that end in Y

Now I'll admit, you're hard to quit  
I been goin' through a bad withdrawal  
But you can bet I had to let  
You walk before I'd crawl  
I got my pride, wrong or right  
I m gonna stand my ground  
An I ain't gonna let  
You're memory get me down

Chorus:

When you walked out, I was just about  
To break down an' beg you not to go  
But if you wanna come home,  
I think it's only fair that you should know

Chorus:
