## Clean Bandit, Real Love (Ft. Jess Glynne)

Oh, you've got the feeling that I wanna feel Oh, you've got the feeling that I know is real

It's in the way you look, it's in the way you love And I can see that this is real It's in the way you talk, it's in the way you touch And I can see

This is real, real, real, real love
This is real, real, real, real love
You give me that feeling, you give me that feeling
You give me that, you give me real love
You give me that feeling, you give me that feeling
You give me that, you give me real love

Oh, before you I was searching for a rarity
Oh, you showed me things I never thought that I would see

It's in the way you look, it's in the way you love And I can see that this is real It's in the way you talk, it's in the way you touch And I can see

This is real, real, real love
This is real, real, real love
You give me that feeling, you give me that feeling
You give me that, you give me real love
You give me that feeling, you give me that feeling
You give me that, you give me real love

Time won't waste, and we just learn To take it slow and wait our turn Held my breath, cause I believe That you'll find me

This is real, real, real, real love
This is real, real, real, real love
You give me that feeling, you give me that feeling
You give me that, you give me real love
You give me that feeling, you give me that feeling
You give me that, you give me real love
