

# Clean Bandit & Topic, Drive (feat. Wes Nelson)

I, I never thought I'd be your type  
I, I, I  
On my mind, the kinda love I can't describe  
I, I, I

You got me running  
Away from our history  
And through the darkness  
Oh I can see you and me

When you find a love that's right  
You can drive all night  
Drive all night  
Do what makes you feel alive  
You can drive all night  
Drive all night  
Cos the road is calling  
Over again  
To the morning  
Right to the end now  
When you find a love that's right  
You can drive all night  
Drive all night

I, I never thought I'd be your type  
I, I, I  
On my mind, the kinda love I can't describe  
I, I, I
