Oh, yeah
Oh, yeah, yeah
Oh, babe
Play me
I sit here lonely in my room
In a web of no emotion a cybernetic ocean
My software needs some protection
A hardware connection
Click here if you need affection
www.dot.com
Call if your lovin is the bomb
I've been cravin love so much
Cuz I miss the human touch
Press here to start (press here, baby)
Touch me and you'll feel the heat (oh, yeah)
From the pounding of my heart (the pounding of my heart)
Reactivate (reactivate, yeah) all the system of my soul
Let your love press the remote control (yeah)
Come on (come on)
Yeah (yeah)
Yeah
My website needs an operator
A master conversator an all access love maker
My type has just one description
He likes to play technician and love is his position, oh?br>
