

# Cleopatra, The Bird Song

(I don't know the bird song but I know)  
I know that I love you.  
(I hear them singing in the trees)  
and I know you're here with me.  
I hear ya, I feel ya, I need, I need you here with me.  
I don't know the bird song but I know  
(I know that I love you).  
I love the way the stars glisten in your eyes,  
I love the way you say you love me so,  
I feel your presence when you're not around  
and now you're gone I feel I know.  
(Whenever the sun don't shine)  
you're there  
(whenever the rain falls down)  
(whenever I'm feeling blue)  
you're with me.  
And now I have lost, I've found.  
(I don't know the bird song but I know)  
I know that I love you.  
(I hear them singing in the trees)  
and I know you're here with me.  
I hear ya, I feel ya, I need, I need you here with me.  
I don't know the bird song but I know  
(I know that I love you).  
I don't know the bird song but  
(I know)  
(but I know that I love you).  
I love the way the sun brightens up your life.  
I love the way you done the same for me.  
(I hear)  
you calling, baby, when I look around  
(oooooo, you're not there).  
And now you're gone I feel that I know.  
(Whenever the sun don't shine) you're there  
(whenever the rain falls down)  
(whenever I'm feeling blue)  
you're with me.  
And now I have lost, I've found  
(I don't know the bird song but I know)  
I know that I love you.  
I hear them singing in the trees and I know you're here with me.
