

Client, Monkey On My Back

Did I forget to mention,
I just raised the stakes
Do you know who I am,
The girl you love to hate
I don't know what I'm doing,
This cross is hard to bear
Was never my intention,
I can't go back there

You know this is history,
It's coming back to me
Monkey on my back,
It's calling to me:
"Take me I'm yours,
Don't run away
Take me I'm yours,
Want you every day
Pain equals love,
Want it every way
Take me I'm yours,
Don't run away,
Run away"

You think you knew it all,
You said that I would break
You don't know who I am,
The girl you love to hate
I don't need to hide,
I don't need to care
Look outside your window,
I'm out there

You know this is history,
You don't mean a thing to me
Monkey on my back,
It's calling to me:
"Take me I'm yours,
Don't run away
Take me I'm yours,
Want you every day
Pain equals love,
Want it every way
Take me I'm yours,
Don't run away,
Run away"

And it's calling to me
And it's calling to me
