

# Cliff Richard, A Little In Love

It's been so long  
You say you've had fun  
And you've been happy  
With the things you've done  
Now you feel strange and a little unreal  
Well, I can understand  
The way you feel  
You're just a little in love  
(Just a little)  
You're just a little in love  
(Just a little)

Well, I can see  
What's happenin' to you  
You feel alone  
But it's just not true  
And there's one thing  
You ought to know  
Whooooa-hooooo  
I need you so  
I'm just a little in love  
(Just a little)  
I'm just a little in love  
(Just a little)

You say you're willin' to learn  
You need a friend  
A friend who will help you  
'Cause you're just a little in love  
Oh, yeah  
A little in love  
You are  
A little in love  
With someone you're just like to see  
Like me, you're in love  
Oh yeah, a little in love

You know sometime  
You look somewhere  
You're not alone  
But there's no one there  
No one to turn to  
And no one to see  
The way you're feelin'  
You're just like me  
You're just a little in love  
(Just a little)  
You're just a little in love  
(Just a little)

Now, you say you're willin' to learn  
You need a friend  
A friend who will help you  
'Cause you're just a little in love  
Oh yeah, a little in love  
You are  
A little in love  
With someone  
You're just like to see  
(You're just like me)  
Like me, you're in love  
Oh yeah, a little in love

Whoooooaa-hooooooo

Ooooooooooh, hoooooooo

You're in love

Oh, yeah

A little in love

You are

A little in love

With someone

You're just like me

(You're just like me)

You're in love

Oh yeah, a little in love

You are

A little in love with someone

You're just like me

(With someone, you're just like me)

Ooooooooooh

(You're just like me)

(You're in love)

Ooooooh, you're in love, you're in love

You're in love

A little in love with someone....
