

Cliff Richard, Congratulation

Congratulations and celebrations,
when I tell everyone that you're in love with me.

Congratulations and jublations,
I want the world to know I'm happy as can be.

1. Who would believe that I could be happy and contented,
I used to think that happiness hadn't been invented.

But that was in the bad old days before I met you,
when I let you walk into my heart.

2. I was afraid that maybe you thought you were above me,
that I was only fooling myself to think you'd love me.

But then tonight you said you couldn't live without me,
that round about me you wanted to stay.

I want the world to know - I'm happy as can be.
