Cliff Richard, Congratuliation

Congratulations and celebrations, when I tell everyone that you're in love with me. Congratulations and jubilations, I want the world to know I'm happy as can be. 1. Who would believe that I could be happy and contented, I used to think that happines hadn't been invented. But that was in the bad old days before I met you, when I let you walk into my heart. 2. I was afraid that maybe you thought you were above me, that I was only fooling myself to think you'd love me. But then tonight you said you couldn't live without me, that round about me you wanted to stay. I want the world to know - I'm happy as can be.
