Cliff Richard, Daddy's Home

I've had nothing but bad luck Since the day I saw the cat at my door So I came here to you, sweet lady Answering your mystical call Crystal ball on the table Showing the future, the past Same cat with them evil eyes And I knew it was a spell she'd cast. *Chorus She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you from behind. Give me the ring on your finger Let me see the lines of your hand I can see me a tall dark stranger Giving you what you hadn't planned I drank the potion she offered me I found myself on the floor Then I looked in those big green eyes And I wondered what I came there for. (Repeat chorus) Stay awake Look out If you're out on a moonlit night Be careful of the neighbourhood strays Of a lady with long black hair Tryin' to win you with her feminine ways Crystal ball on the table Showing the future, the past Same cat with them evil eyes You'd better get out of there fast She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you.
