

Cliff Richard, Keep Me Warm

The one you love
The one you care for
Has told you everything
You ever lived for
The one you love
Just walked into your life

She said hold me and keep me warm
Hold me for ever and keep me from harm
Hold me and keep me warm
Hold me for ever in your loving arms

'Cos I love you
And I need you
And I want you here for evermore
I'm just so crazy about you

The one you love
The one you prayed for
Brought you an angel
And the angel stayed for
The light of love just
Walked into your life

She said hold me and keep me warm
Hold me for ever and keep me from harm
Hold me and keep me warm
Hold me for ever in your loving arms

'Cos I love you
And I need you
And I want you here for evermore
I'm just so crazy about you

The only one you ever lost your heart for
The one you cried a million times for
Your only dream has walked into your life

She said hold me and keep me warm
Hold me for ever and keep me from harm
Hold me and keep me warm
Hold me for ever in your loving arms

'Cos I love you
And I need you
And I want you here for evermore
I'm just so crazy about you
