

Cliff Richard, Lessons In Love

First you cuddle up beside me nice and near
Then you whisper all the things I long to hear
That's the first lesson in love
Mmmm...Give me your heart

Then you put your two sweet lips on mine like this
And you'll learn the magic of a tender kiss
That's the next lesson in love
Mmmm....lesson in love

It's so easy when you know how
O my darling let me show you now

Last you whisper I love you so sweetly
Then I'll know you've learned it all completely
That's the last lesson in love
Mmmm...baby love me true
