

# Cliff Richard, She Means Nothing To Me

Oh well here she comes now oh I'm on the run now  
Pretending just pretending that I don't see her  
Just to teach her but darling how much longer  
Can I keep on living this lie

She means nothing to me  
She means nothing to me  
I'm still as free as a bird  
Don't care what you heard about me  
She means nothing to me no more

Oh she's my world oh not just some girl  
Harder it's getting harder to fool anyone  
Not just her but I act like a man  
She'd expect me to  
No tears win her respect  
Who am I fooling if I can't fool me  
Who believes what their eyes don't see  
But I keep on lying

She means nothing to me  
She means nothing to me  
I'm still as free as a bird  
Don't care what you heard about me  
She means nothing to me no more

All my dreams are depending on her  
And how good I am at pretending that

She means nothing to me  
She means nothing to me (haven't you heard)  
I'm still as free as a bird  
Don't care what you heard about me  
She means nothing to me no more

She means nothing to me  
She means nothing to me (haven't you heard)  
I'm still as free as a bird  
Don't care what you heard about me  
She means nothing to me no more

She means nothing to me  
She means nothing to me (haven't you heard)  
I'm still as free as a bird  
Don't care what you heard about me  
She means nothing to me no more
