

Cliff Richard, Snowfall Of The Sahara

Go slow, don't run
Girl, I know the best is yet to come
If you just smile
It makes every single moment worthwhile
You glow, you shine
Whatcha doin' to this heart of mine
When love comes along
Ain't no question if it's right or wrong
We're holding on

Till the snow falls on the sahara
And the sun freezes over
When the mojave red turns into blue
When my lungs get tired of breathing
And my heart stops it's beating
I'll stop loving you

No rush, I'll wait
Love is timeless, there's no being late

You should know, always there
Till the last day of forever, I swear
I'll be there

Till the snow falls on the sahara
And the sun freezes over
When the mojave red turns into blue
When my lungs get tired of breathing
And my heart stops it's beating
I'll stop loving you
When the mojave red turns into blue
When the music's no longer playing
And the faithless start praying
I'll stop loving you

I don't want to miss a single heartbeat
But sometimes the words get in the way
But I hear your voice just fine
