

Cliff Richard, Thinking Of Our Love

Here am I, wondering why
Im so much in love with you
Here we stand, hand in hand
Thinking of our love
Umm, what shall we do?
We really dont care
As long as were together
As long as were a pair
Here we stand, hand in hand
Thinking of our love
By my side, now you are my bride
All our dreams have come true
Now were one, it cant be wrong
Thinking of our love
Umm, what shall we do?
We really dont care
As long as were together
As long as were a pair
Here we stand, hand in hand
Thinking of our love
Our love, thinking of our love
