

# Cliff Richard, When The Girl In Your Arms

When the girl in your arms  
Is the girl in you heart  
Then you have got everything  
When you are holding the dream  
You have been dreaming you would hold  
You're as rich as a king  
So hold her tight  
And never let her go  
Day and night  
Let her know  
You love her so  
With the love of your life  
Spend the lifetime of love  
Make her yours for evermore

So hold her tight  
And never let her go  
Day and night  
Let her know  
You love her so  
With the love of your life  
Spend the lifetime of love  
Make her yours for evermore  
Make her yours for evermore
