

Cliff Richard, When The Girl In Your Arms Is A Girl

When the girl in your arms is a girl in your heart,
Then you've got everything,
When you're holding the dream, you can dream when you hold,
You're as rich as a king,
So hold her tight and never let her go
day and night let her know you love her so.
With the love of your life, spend a lifetime of love
Make her young forevermore
So hold her tight and never let her go
day and night let her know you love her so.
With the love of your life, spend a lifetime of love
Make her young forevermore
Make her young forevermore
