

# Cliff Richard, Wired For Sound

I like small speakers - I like tall speakers  
If they've music - they've wired for sound  
Walkin' about with a head full of music  
Cassette in my pocket and I'm gonna use it-stereo  
- out on the street you know - woh oh woh...  
Into the car go to work I'm cruisin'  
I never think that I'll blow all my fuses  
Traffic flows-into the breakfast show - woh oh woh...  
Power from the needle to the plastic  
A.M. - F.M. I feel so ecstatic now  
It's music I've found  
And I'm wired for sound  
I was small boy who don't like his toys  
I could not wait to get wired for sound  
I met a girl and she told me she loved me  
I said you love me then love means you must like what I like-  
My music is dynamite - woh oh woh...  
She said - I'm not a girl you put on at a stand by  
I am a girl who demands that her love is amplified  
Switch in to overdrive-woh oh woh  
Power from the needle to the plastic  
A.M. - F.M. I feel so ecstatic now  
It's music I've found  
And I'm wired for sound
