

Cliff Richard, You Know That I Love You

Wild woman put a spell over me,
Gave me your love and now I've lost my-sanity,
Can't think straight now,I've lost my mind-my mind,
Believe me now honey,you're just one of a kind.

CHORUS:

You know that I love you, you know so well,
You know that I love you, oh can't you tell,
I want to be with you, come rain come shine,
Oh won't you tell me honey you'll be mine.

You can't change the Lord done made you that way,
I am laying no blame,that's how I want you to stay,
Ain't my luck to find a woman so fine-so fine,
Luck has changed thrown a seven this time.

You know that I love you,you know so well,
You know that I love you,oh can't you tell.

CHORUS Repeated.
