

Cliff Richard, Young Ones

The young ones
Darling, we're the young ones
And the young ones
Shouldn't be afraid
To live, love
While the flame is strong
For we may not be
The young ones very long
Tomorrow
Why wait until tomorrow
'Coz tomorrow
Sometimes never comes
So love me
There's a song to be sung
And the best time
Is to sing it while we're young
Once in every lifetime
Comes a love like this
I need you,
You need me
Oh, my darling, can't you see
That young dreams
Should be dreams together
And young hearts
Shouldn't be afraid
And some day
When the years have flown
Darling, then we'll teach
The young one of our own
Once in every lifetime
Comes a love like this
I need you,
You need me
Oh, my darling, can't you see
That young dreams
Should be dreams together
And young hearts
Shouldn't be afraid
And some day
When the years have flown
Darling, then we'll teach
The young one of our own
