

Clifford T. Ward, Sylvie

I love you Sylvie, I love you I do

I think you're nice, my advice is love me

I love you Sylvie, I love you I do

I think you're nice, now entice me to be.

Well I want you Sylvie darlin'

An' I need you Sylvie darlin'

An' I love you Sylvie, be my girl.

I love you Sylvie, I love you I do

I think you're swell, you do well, you know it

I love you Sylvie, I really do

I want to be, your baby, you know it.

Well I want you Sylvie darlin'

An' I need you Sylvie darlin'

Well I love you Sylvie, be my girl.

I love you Sylvie, I love you I do

You're quite the girl that I dream about

I love you Sylvie, I really do

You're quite the girl that I'm mad about.

Well I want you Sylvie darlin'

An' I need you Sylvie darlin'

Yes I love you Sylvie, be my girl.

Be my girl

Be my girl

(and fade).
