

# Clifford T. Ward, The Best Is Yet To Come

What did we do wrong?

We had all the magic to put us on our way

And all the tragedy that we ever wanna see

But you know I'm right

When I say the best is yet to come.

Where did we go wrong?

Was it so enlightening we couldn't find our way?

Was it all so frightening we really couldn't see which move to make?

But you know I'm right

When I say the best is yet to come.

An' if you leave me now

Like you say you might

Oh please don't leave me now

'Cause I know, if you do

None of this will come true - so . . .

Where do we go now?

Now your heart is achin' and leading you astray

And me I'm burnin' up, tryin' to get you to stay

'Cos you know I'm right

When I say the best is yet to come

And you know the best is still to come.
