

# Clifford T. Ward, The Way Of Love

You will know when love has come  
For all the world will smile for you  
And more than anything you'll try  
To keep this love so true.

You will know the feeling well  
She's everything your dreams have made  
But in so doing she may turn  
For dreams are known to fade.

Then you're confused  
Your world is turning the wrong way round  
And so you lose  
You're life is all - so upside down.

You may know such times as these  
When others seem more fortunate  
It's the way of love you know  
The chance you have to take.

You try so hard to win the girl  
You want to stay  
Then all in one mad rush around  
She turns away.

It may take a long long time  
To understand even explain  
And there's no consolation in  
That time will heal the pain.
