

# Clifford T. Ward, Wait A Minute You Fool

Well you push, and you shove, you think it's all one way

And you act like you thought the world would end today

I've got to tell you, I've got to spell it out for you

I'm going to tell you, I've got to get across to you

Get across to you.

Wait a minute you fool

Can't you see I'm in front of you

Wait a minute you fool

Can't you see I'm in love with you.

Take your time, slow down, there's other things besides

Talking loud, acting strange, and fancy fast car rides

Spend all my money, and tell me you like me a lot

Well don't be funny, maybe you think that's all I got

That ain't all I got.

Wait a minute you fool

Can't you see I'm in front of you

Wait a minute you fool

Can't you see I'm in love with you.

Wait a minute you fool

Can't you see I'm in front of you

Wait a minute you fool

Can't you see I'm in love with you.

Wait a minute you, Wait a minute

Wait a minute you, Can't you see I'm in love

In love, in love, in love, in love . . .
