

Clifford T. Ward, Wayward

Wayward I think you are

This time you've gone a little bit too far

Just look what you've done to me

I know an' you know

That it's just not funny.

In front of everyone you struck the wrong note

Sit down girl you're rocking the boat

But just for once won't you open your eyes

Take a look at yourself won't you realise - realise?!

Wayward - yes you are

This time you've gone a little bit too far

Something in the way you smile

Makes me wonder is it all worthwhile.

In front of everyone you struck the wrong note

Sit down girl you're rockin' the boat

But just for once won't you open your eyes

Take a look at yourself won't you realise - realise?!

Wayward - yes you are

This time you've gone a little bit too far

Wayward - yes you are

This time you've gone a little bit too far

(Repeat and fade).
