

# Climax Blues Band, Couldn't Get It Right

Time was drifting, this rock had got to roll  
So I hit the road and made my getaway  
Restless feeling, really got a hold  
I started searching for a better way

But I kept on looking for a sign  
In the middle of the night  
But I couldn't see the light  
No I couldn't see the light  
I kept on looking for a way  
To take me through the night  
I couldn't get it right  
I couldn't get it right

L.A. fever made me feel alright  
But I must admit it got the best of me  
Getting down, so deep  
I could have drowned  
Now, I can't get back the way I used to be  
(repeat chorus)

New York City took me with the tide  
And I nearly died from hospitality  
Left me stranded, took away my pride  
Just another no account fatality  
(repeat chorus)
