

Climax Blues Band, I Love You

When I was younger man I hadn't a care
Foolin' around, hitting the town, growing my hair
You came along and stole my heart when you entered my life
Ooh babe you got what it takes so I made you my wife

Since then I never looked back
It's almost like living a dream
I love you

You came along from far away and found me here
I was playin' around, feeling down, hittin' the beer
You picked me up from off the floor and gave me a smile
You said you're much too young, your life ain't begun, let's walk for awhile

And as my head was spinnin' 'round
I gazed into your eyes
And thought I want you

Thank you babe for being a friend
And shinin' your light in my life
'cause I need you

As my head was comin' round
I gazed into your eyes
And thought I want you

Thanks again for being my friend
And straightenin' out my life
'cause I need you

Since then I never looked back
It's almost like livin' a dream
I got you

If ever a man had it all
It would have to be me
I love you
