

Climber, Bug Bear (Original)

I've named my Bug Bear
He is invisible
She is so sweet
...<!- don't understand -->
The object of my fear
Sits on his ? in my room
Sometimes you pretend
To be my friend
I ...
My eyelids droop
I seem so late
Where are you...

where life begins i've always got a car running
that's right that's where I am
i never use the spare
well that's where
