

Climber, Bug Bear (Original)

I've named my Bug Bear

He is invisible

She is so sweet

...<!- don't understand -->

The object of my fear

Sits on his ? in my room

Sometimes you pretend

To be my friend

I ...

My eyelids droop

I seem so late

Where are you...

where life begins i've always got a car running

that's right that's where I am

i never use the spare

well that's where
