

Clinic, Come Into Our Room

Candlelight and all things bright come into our room
Candlelight and all things bright come into our room
Now now the winter glows

See the leaves beneath the trees come into our room
See the leaves beneath the trees come into our room
Now now the winter glows
Now now the winter glows
It's wonderful, no it's wonderful with you

Snug as bugs inside your love come into our room
Snug as bugs inside your love come into our room
Now now the winter glows
Now now the winter glows
Now now the winter glows
It's wonderful, no it's wonderful with you

Fingerbobs has wolfed the lot come into our room
Fingerbobs has wolfed the lot come into our room
Now now the winter glows
Now now the winter glows
Now now the winter glows
It's wonderful, no it's wonderful with you

Come into your room
Come into your room
Come into your room
Come into your room
Come into your room
Come into your room
