

# Clint Black, A Bad Goodbye

Clint Black & Wynonna Judd  
(Clint Black)

I've been bound to leave you,  
We've known that for awhile  
I'm sure it's something I can't do  
If I can't leave you with a smile  
I don't know how far I'll have to go  
'Til I'm sure those eyes won't cry  
And in my mind I've left enough to know  
That I can't leave you  
With a bad goodbye.

Goodbye, easier said than done  
Goodbye, there's no good when you're the one  
Whose goodbye you swore would never come  
And in my goodbye you're finding none.

I'm still bound to leave you,  
I surely don't know how  
My heart won't let me put you through  
What my mind says should happen now.

I don't know where we'll go from here,  
there may be no way to fly  
And the cloud I'm in just makes it  
all too clear that I can't leave you  
With a bad goodbye.

Goodbye, easier said than done  
Goodbye, there's no good when you're the one  
Whose goodbye you swore would never come  
And in my goodbye you're finding none.

How can we be so far between  
Where we are and one more try  
And any way I look,  
I've only seen that I can't leave you  
With a bad goodbye...
