

# Clint Black, A Better Man

What do you say when it's over?  
I don't know if I should say anything at all  
One day we're rollin' in the clover  
Next thing you know we take the fall

Still, I think about the years since I first met you  
And the way it might have been without you here  
And I don't know if words from me can still upset you  
But I've just gotta make this memory stand clear

I know I'm leavin' here a better man  
For knowin' you this way  
Things I couldn't do before, now I think I can  
And I'm leavin' here a better man

I guess I always knew I couldn't hold you  
But I'd never be the one to set you free  
Just like some old nursery rhyme your mama told you  
You still believe in some old meant-to-be

Repeat chorus

Still, I'm leavin' here a better man...

Repeat chorus
