

Clint Black, Still Holdin' On

There's something out there left for you
But it's not me
We reached a point of no return it's only right
I set you free
I know I'll have to turn away
But there's nowhere for my love to go
And there won't come a day
When I won't honor what we vowed
But I'll go on with my life
We can even say goodbye for now if
If that's what we have to do
But here in my heart
Even when my arms are empty darlin'
I'm still holdin' on to you
We can't deny that this one's out of our control
Stronger than the both of us and bound to take its toll
I can stand the test of time
And as far as I can see
There are no walls that we can't climb
Standing between you and me
But I'll go on with my life
We can even say goodbye for now if
If that's what we have to do
Here in my heart
Even when my arms are empty darlin'
I'm still holdin' on to you
There's a place you'll always be
No matter where you are
You're here with me
When the world is turnin' upside down
Together we can stand our ground
We can even say goodbye for now if
If that's what we have to do
But here in my heart
Even when my arms are empty darlin'
I'm still holdin' on to you
I'm still holdin' on to you
When I'm gone, when I'm gone I'm holdin' on
