

Clint Black, The Finest Gift

She can shop all over town,
Turn the gift shops upside down
Finding something for her man with everything
But it's right behind her eyes and no matter what she buys
She'll always be the finest gift, she brings.

Chorus:
Every year it's never missed,
Should be at the top of every list
It can never be outdone,
It's the perfect gift for everyone.

It's in everything you'll see
Scattered underneath our tree
You can hear it in the carols that we sing
It's the heart of love's design
And it appreciates with time
And she'll always be the finest gift, she brings.

Chorus:
Every year it's never missed,
Should be at the top of every list
It can never be outdone,
It's the perfect gift for everyone

Now It's not in any store
And she could never give me more
Then her promise of the finest gift, she brings
I know her love's the finest gift, she brings...
