Clint Black, What I Feel Inside

I'm just out of the light
I hadn't caught her eye
But I think I might be lovin' her
I just stepped outta the door
Gotta be a fool to wanna go one more
For the way we were
For the good times,
how many times
I'm losin' track
Everybody goes,
everybody knows
It's gone, don't look back

There's no love in the space I've gained
I could burn my bridges through a pourin' rain
No matter how far or hard I ride
I can't outrun what I feel inside

Tell me, who do you see
See me running 'round,
and you think I'm free
From the way we hurt
Well I don't mean bodily harm
When it comes to the heart,
it's a free alarm
You gotta be alert
For the good times,
how many lines
I'm losin' slack
It's the way to go,
everybody knows
If you don't look back

There's no love in the space I've gained
I could burn my bridges through a pourin' rain
No matter how far or hard I ride
I can't outrun what I feel inside

I never mind what I think I know
I'm getting nowhere everywhere I go

There's no love in the space I've gained
I could burn my bridges through a pourin' rain
No matter how far or hard I ride
I can't outrun what I feel inside...
