

Cliteater, Death Of J-Lo

[Chorus]

Filthy f**king slut

I will drag you through the mud

Shoot a bullet through your head

Then slice your billion dollar ass like mad

The death of J.Lo

The death of J.Lo

[x2]

No matter how many cocks she sucked

J.Lo's the one who gets f**ked

Gonna drive down to her house to end it all

Then first smash her arrogant head against the wall

[Repeat chorus]
