

# Cliteater, Frigid Fuck

[Chorus]

Now I shove my manhood into you  
You scream because you're a frigde f\*\*k  
Teered cunt, I now devour

Your cunny cream splashes on your tights  
Combined with blood  
To me you are nothing  
Just a slap of meat to f\*\*k

Randy bith turns me on by saying no  
You always wanted to wait  
Now I'm taking controle

Your deep and succulent gash wet  
With your blood  
Makes you my beautiful  
Frigid f\*\*k, frigid f\*\*k

[Repeat chorus]
