

Closet Monster, Mr. Holland Vs. Acceptable Beha

Walked for hours up to our knees in the freedom drenched so thick.

I asked who's the true criminal the jailor or convict?

How can you restrict what I can do?

Fuck off, leave it alone.

Born tried true the unalienable right to be completely free

Take my word I saw it on t.v.

I wanna see your flag fly high, red, white, and fucking green.
