

Closet Monster, The Anti-Racist Sing-A-Long

Fuck racism.
Fuck that brain-dead scum.
Fucking boneheads too.
Go fuck em all to hell.
Fucking bigotry its to 1770's this is the year 2001.
So this is relevant how come?
The fact that I might need to remind you,
that racism is ridiculous
justifies the premise for us writing this song.
So everyone please sing along.... FUCK RACISM.
