

# Closet Monster, The Anti-Racist Sing-A-Long

Fuck racism.  
Fuck that brain-dead scum.  
Fucking boneheads too.  
Go fuck em all to hell.  
Fucking bigotry its to 1770's this is the year 2001.  
So this is relevant how come?  
The fact that I might need to remind you,  
that racism is ridiculous  
justifies the premise for us writing this song.  
So everyone please sing along.... FUCK RACISM.
