

# Cloud Cult, Moving to Canada

And as the ending came, the people watch complacently and swore their god had meant for it to be  
And I'm feeling strange, while the pretty people pray

Going to Canada

And all the people sing, long live the king for he is a godly thing, an eagle with just one right wing  
And I'm feeling strange, while the pretty people pray (Hut hut hut hut...)

Going to Canada

Going to Canada

And as the ending came, the people watched complacently and swore their god had meant for it to be

Moving to Canada

I'm moving to Canada
