

Clouds, Always

I will never lie to you
I will not hurt you
I'll say anything
That suits me at the time
I'd be lying if I said I won't

And I'm guilty of
A thousand other sins
I'll be counting even though I will

I will never lie to you
I will not hurt you

There is dishonour among friends
And between strangers
And among thieves
There are those who would steal anything
And god knows it tempts me
To be one of these

I will never steal from you
I will not hurt you

I will never lie to you
I will deny
