

Clouds, Say It

Say it three times
Don't tell a soul
Drink a whisper
From a silver bowl

And you'll get what you want
You'll get what you want
And you'll get what you want

Say it three times
Give it power
Chant it clockwise
For a single hour

And you'll get what you want
You'll get what you want
And you'll get what you want

Say it three times
Say it three times
Close your eyes and hold out your hand

Say it three times
Use special words
Under moonlight
You will be heard

And you'll get what you want
You'll get what you want
And you'll get what you want

Say it three times
Say it three times
Close your eyes and hold out your hand
